Mrs. Searle P. Smithson

Dear Mrs. Smithson:

Thank you for your letter of 7 March to General Cabell requesting information on Cuba. The present Cuban situation is a matter of concern to all of us.

I am enclosing a copy of General Cabell's testimony before a Congressional Committee in the hope that this will be of some help to you in your project.

We are not in touch with Major Pedro Diaz Lanz and it would not be appropriate for us to advise you how to contact him or other Cubans. The American press is giving full coverage to the Cuban situation, and I believe that Cuban statements and activities as publicly reported speak for themselves.

Sincerely,

SIGNED

Walter Elder
Executive Assistant

Deputy Director
Central Intelligence Agency
Washington, D.C.

Dear Gen. Cabell:

That this country needs is a good, authentic report on the foreign policies of Fidel Castro. As a student at the University of California, Santa Barbara I have been assigned such a project. Since you probably know more than anyone else, except Sr. Castro himself, just what his policies are, would you please send to me such information as you have available?

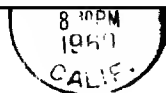

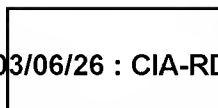

Particularly, can you get me in touch with Major Pedro Diaz Lanz, the former head of Castro's Air Force? Any other Cubans who can give me information I would appreciate hearing from also.

Thank you ahead of time for any help you can offer.

Sincerely,
George P. Smithson
